## Services

**“PEACE  
OF MIND  
FOR YOUR  
BUSINESS”**

**The SPS Security mobile patrol fleet comprises of a team of trained officers in marked vehicles patrolling and protecting assignments at regular intervals.**

Our Mobile patrol division respond to all alarm activations and await

the arrival of the alarm engineer or emergency services.

We provide internal and external patrols of premises, a lockdown or open-up facility, or just provide the ‘comfort factor’ – checking on the security of lone workers.

**SPS Security offer a full range of security services including:**  
*24 Hour CCTV Monitoring, Key Holding and Alarm Response, Mobile Patrols, Security Guarding, Shopping Centre and Retail Security, Gathouse Security.*

Our company is in the top 10% of accredited SIA Approved contractors and we are a member of the elite industry ACS Pacesetters for key holding and mobile response.

Our Mobile patrol team also deals with property check and meter readings on tenanted and vacant properties. We work with a number of management agents and property fund managers as

well as individual landlords. This service can be offered primarily within two regional areas of a 45 mile radius; these are Hull, Scunthorpe and Grimsby and Wakefield, Leeds and Bradford.

Prohibiting ourselves to only a certain catchment area allows our teams to respond within an adequate time limit and provide a professional response service should the need arise.
